Re: Freedom of Information Act Request EPA-R10-2013-0001816

Dear Ms. Zajac,

This is in response to your Freedom of Information Act (FOIA) request received via FOIAonline for a copy of the 104(e) response for Lower Duwamish Superfund site entity Linde Group.

Responsive records are on the enclosed disc. Also, a copy of the invoice for services is enclosed. You may pay by mail or go to FOIAonline and pay online. This publicly releasable information is provided by the Office of Environmental Cleanup.

This is not an adverse determination. However, under FOIA you have the right to appeal the following determinations:

- records denied in whole or in part;
- no responsive records have been located;
- denied request for fee waiver in whole or in part;
- denied request for expedited treatment;
- request fee category assignment;
- agency has fully responded but because of the voluminous nature of the request, the requester may challenge the reasonableness of the search for records.

You may submit your appeal through your FOIAonline Account. If you have questions regarding our response to this request, please contact Aaron Lambert of my staff at (206) 553-5122 or [lambert.aaron@epa.gov](mailto:lambert.aaron@epa.gov). This concludes the EPA Region 10 response to FOIA request number EPA-R10-2013-001816.

Sincerely,

A handwritten signature in black ink, appearing to read "Shawn Blocker".
